

Dans la page « Discussions actives » ou « Mes discussions », CLIC droit sur la discussion dont on veut insérer le lien, cliquer sur « copier le raccourci » :

The screenshot shows the Carenity website interface. At the top, there is a navigation bar with the Carenity logo and a search bar. Below the navigation bar, there is a breadcrumb trail: Accueil > Mes groupes > Discussions les plus actives. The main content area is titled 'Discussions actives' and features a table of discussions. A right-click context menu is open over the first discussion, with the option 'Copier le raccourci' highlighted. The table has columns for 'Discussions', 'Contributeurs', 'Dernière réponse', 'Groupes', 'Réponses', and 'Lus'. The first discussion is titled 'Le jeu de...' and has 1663 responses and 6332 likes. The second discussion is titled 'Mouvement...' and has 20 responses and 119 likes. The third discussion is titled 'Il se passe...' and has 26 responses and 230 likes.

Discussions	Contributeurs	Dernière réponse	Groupes	Réponses	Lus
Le jeu de...		par Pat123 28/11/2014 20:40	Espace détente - Jeux	1663	6332
Mouvement...		par G I G I 28/11/2014 20:40	Revue de presse	20	119
Il se passe...		par roseline 28/11/2014 20:33	Bon à savoir (pour tous)	26	230

Ensuite, aller dans la discussion dans laquelle on veut insérer le lien vers l'autre discu. Dans le commentaire, cliquer droit puis sur « coller »

The screenshot shows the Carenity website interface. At the top, there is a navigation bar with the Carenity logo and a search bar. Below the navigation bar, there is a breadcrumb trail: Accueil > Mes groupes > Discussions les plus actives. The main content area is titled 'Poster un nouveau commentaire' and features a form for posting a new comment. The form has a text area with a rich text editor toolbar. A right-click context menu is open over the text area, with the option 'Coller' highlighted. The form also has a section for attaching files, with a note that files must be less than 2 Mo and have extensions .jpg, .jpeg, .gif, .png, .doc, .pdf.

Et voilà !!!!!

The screenshot shows the Carenity website interface. At the top, there is a navigation bar with the Carenity logo and a search bar. Below the navigation bar, there is a breadcrumb trail: Accueil > Mes groupes > Discussions les plus actives. The main content area is titled 'Poster un nouveau commentaire' and features a form for posting a new comment. The form has a text area with a rich text editor toolbar. The URL 'https://membre.carenity.com/discussions/Movember%3Amobilisons-nouspourlarecherche dans les maladies masculines%21-32732' is pasted into the text area. The form also has a section for attaching files, with a note that files must be less than 2 Mo and have extensions .jpg, .jpeg, .gif, .png, .doc, .pdf.
